Ref:- From the Collector of S.Kanara letter No. Ref. B1.1981/53 d/26-7-53.

.....

The proposals in this file relate to acquisition of certain lands for forming an approach road to the bridge across Nileshwar River at M.50/2 of Kanhangode-Cheruvathur Road. The bridge work referred to is on a Govt. Road and it is in progress. The extent of land required for forming the road is about 9.18 acres and the D.E.(H) in charge of the work has requested application of Section 17 (i) of the L.A.Act wherever feasible.

The Collector of S.Kanara has reported that provisions of urgency clause cannot be applied in respect of certain plots measuring 0.82 acres as they contain dwelling houses and other improvements. He has therefore now submitted draft notification under Section 4 (i) of the Act and has requested that draft notification may be approved and ordered to be published in the Fort St.George Gazette. In the circumstances stated by the Collector, the draft notification now submitted by him may be approved and published in the Gazette. Draft I submitted.

2. The Collector has reported that the other plots required for forming the approach road to the bridge under reference are either arable or waste lands, and that do not contain any religious edifices, grave yard or tombs. He has therefore stated that there is no objection to acquire these plots by applying the urgency clause. The draft notification and draft declaration submitted by the Collector for acqn. of these plots may be approved and published in the Fort St. George Gazette. Subject to orders draft II submitted below is for approval.

After orders are passed the file may be sent to Rev. for acceptance of draft-II.
